All the Financial Products or financial services are subject to the general terms in this document and to the Schedules which apply to financial services you may receive or particular Financial Products you may transact from time to time.

1.2 In relation to your Account, a reference to “Terms” is a reference to the terms in this document (including the Schedules) which are applicable to you, as amended from time to time.

1.3 In order to establish your Account, you will need to complete AI Capital’s Online Application Form. AI Capital may, in its absolute discretion, accept or decline to provide any one or more Financial Products or financial services that you have selected in your Application Form.

1.4 These Terms will apply to you in respect of your Account from the earlier of (a) the time AI Capital accepts your application

in the Application Form in respect of a particular Financial Product or financial service; (b) the time AI Capital otherwise agrees to provide the Financial Product or financial service to you; or (c) the time you first place an Order in respect of a Financial Product with AI Capital or otherwise instruct AI Capital to provide the financial service to you.

1.5 You acknowledge and agree that you have read and understood all documentation provided to you by us including these Account Terms and any Product Disclosure Statement (PDS) in relation to any Financial Products which you request AI Capital to make available to you in relation to your Account. You authorise AI Capital to open an Account for you.

1.6 You acknowledge that you have received, read and understood our Financial Services Guide (FSG). Our FSG may change from time to time. A copy of the current FSG is available as part of the online application process or can be viewed on our website.

1.7 You acknowledge that all dealings in Financial Products and the performance by us of our obligations under these Terms are subject to the Applicable Laws.

1.8 You acknowledge that we will not provide legal, tax, financial or accounting advice to you as part of the services that we provide to you in accordance with these Terms. By these Terms we do not act in a fiduciary capacity and AI Capital does not owe any fiduciary obligations to you in respect of its services provided to you in connection with these Terms except as expressly stated in these Terms.

1.9 These Terms do not constitute personal financial advice, nor a recommendation or opinion that a Financial Product or service is appropriate for you.

1.10 A liability of AI Capital accrues solely to that entity. AI Capital is not the agent, fiduciary, joint venturer or guarantor of any other person.

1.11 AI Capital has discretions under these Terms which can affect your Transactions. You do not have any power to direct how we exercise our discretions. When exercising our discretions, we will comply with our legal obligations as the holder of an Australian Financial Services Licence. We will have regard to our policies and to managing all risks (including financial, credit and legal risks) for ourselves and all our clients, our obligations to our counterparties, market conditions and our reputation. We will try to act reasonably in exercising our discretions, but we are not obliged to act in your best interests or to avoid or minimise a loss in your Account.

### 3. ACCOUNT

3.1 AI Capital will establish one or more Accounts in respect of the Financial Products or financial services it provides to you. Transactions entered into by you pursuant to these terms will be recorded in the relevant Account established by AI Capital for

that Financial Product or financial service. Unless you have specifically requested AI Capital to open separate Accounts, you will be taken to have only one Account, with Transactions in respect of each Financial Product or financial service provided to you being recorded in that Account.

3.2 The calculations, reporting and administration may be performed by AI Capital separately for each Account, so that (without limitation):

- (a) Margin calculations may be managed, and enforcement action may be taken for each Account separately; and
- (b) AI Capital may at any time aggregate one or more Accounts (for reporting or managing Margins or otherwise for the purposes of these Terms), even if you cannot immediately access reports for aggregated Accounts.

3.3 AI Capital may set off any amount owing by you (including any negative balance in one or more Accounts) against any amount AI Capital owes you in any other Account, without notice. AI Capital may choose, in its absolute discretion, which Financial Products, Transactions, cash, or account balance or other property to apply to offset the debt. For the avoidance of doubt, this right of set off (and other rights of set off under these Terms) apply in respect of rights and obligations across more than one Account. You agree that AI Capital may apply the set off as among one or more Accounts, before Default and on and following Default.

3.4 The Account Value may reflect any such aggregation or set off any debt or other amount owing from time to time.

3.5 All Accounts will be denominated in Australian Dollars unless we agree with you that one or more Accounts may be denominated in a foreign currency. You may only instruct AI Capital to effect a Transaction denominated in another currency if you have established a relevant Account denominated in that currency.

3.6 You must maintain Margin in the currency of the relevant Account, even if AI Capital converts that Margin into Australian dollars for the purposes of managing reports about your Accounts. The conversion for reporting will be at the rate determined by AI Capital and that rate will not represent any actual conversion or agreed rate for actual conversion.

3.7 You must maintain Margin for Foreign Exchange Transactions in Australian Dollars (or any other foreign currency permitted by AI Capital). If you do not have Margin in Australian Dollars in your Account (or any other foreign currency permitted by AI Capital) or your Account has a negative account balance in Australian Dollars (or any other foreign currency permitted by AI Capital) but you have sufficient funds in another currency (at the current market rate), AI Capital may allow those other funds to be used to offset the required Margin. AI Capital may withdraw that permission at any time, without reason or prior notice to you.

3.8 You must, whenever required by AI Capital and at your expense, take or defend all legal proceedings which AI Capital determines in its discretion is appropriate for the protection of the Account (or any part of it) or money paid as Margin to it for itself, whether those proceedings are or might be reasonably be expected to be in the interests of AI Capital, or your interests, or partly both.

3.9 A Client may be comprised of two or more persons. If the Client is comprised of more than one person, then the Account will be deemed to be held by the persons as joint tenants despite any actual or constructive notice to AI Capital of any partnership or other agreement between the persons. The joint holding will be only be deemed not to be held as joint tenants if there is a court determination that it is not held as joint tenants.

4.5 If the composition or calculation of an Underlying Security is adjusted by its issuer, regulator or sponsor, AI Capital will make such adjustment to the Transaction at the time determined by AI Capital which reasonably preserves the intended economic effect of the Transaction, but without being obliged to consider your circumstances or any adjustments. AI Capital need not give notice of the adjustment. If the Underlying Security becomes subject to a takeover bid, a take-over offer, scheme of arrangement or other mechanism for change in control, then AI Capital may elect to Close Out the Transaction on a new Closing Date determined by AI Capital.

## 6. Orders

---

6.1 You may from time to time place Orders with us to enter into Transactions. Before reading the below terms, we wish to advise you that all Australian financial service(AFS) licensees (including AI Capital Australia (Pty) Limited ) have a legal obligation to ensure that all markets are fair, orderly and transparent and do all things necessary to ensure that financial services are provided efficiently, honestly and fairly. You must be aware that some practices in placing orders can constitute market manipulation or creating a false market which is conduct prohibited under the Corporations Act.

Market misconduct provisions apply to all financial products and financial markets and involve a range of offences carrying significant fines and other penalties. It is your responsibility to be aware of unacceptable market practices and the legal implications. You may be liable for penalties to regulators such as ASIC or liable to us for costs to us arising out of those trading practices of yours which lead to you, we or any other person suffering loss or penalty.

Subject to these Terms, we will execute your Orders with you as principal in accordance with your instructions.

6.2 We will not be responsible for delays or errors in the transmission or execution of your instructions (except to the extent that responsibility cannot be excluded by law).

6.3 We may refuse to accept an Order (including but not limited to any Order that relates to black-box trading, scalping or any similar trading practices) and we may place a limit on any Order or place other conditions on the receipt of instructions or Orders, in our absolute discretion and for any reason, including if there is no pricing data available in respect of the Underlying Security. We may at any time use, add and change filters within a trading system which prevent delivery of Orders or execution of Orders. We will notify you of any refusal or limitation as soon as reasonably practicable, unless we are prevented by law or a direction from a regulatory authority from notifying you

6.4 We may cancel or amend an Order:

(a) if required by Applicable Laws to do so; (b) in the event of an error;

(c) if we consider the cancellation appropriate, having regard to the desirability to maintain a fair and orderly market, our obligations as the holder of an Australian financial services licence or as a participant or user of the relevant Financial Market and our other legal and regulatory obligations including those detailed in 6.1 above; or

(d) if the Financial Product the subject of the Transaction has been subject to a trading halt on a Financial Market and you have not reconfirmed instructions.

You acknowledge that Exchanges have a range of powers, including the power to cancel or amend a Transaction. This power can be exercised without your permission or our agreement and so may give rise to us cancelling or amending an Order due to an Exchange exercising its powers even though your Transaction issued by us is an over the counter Transaction with no interest in any Financial Product the subject of the Transaction and even though we might not have fully or even partly hedged our Transaction with you.

6.5 We will make reasonable efforts to affect any instructions to cancel or amend Orders as quickly as possible. If, however, an Order is filled prior to a cancellation or amendment instruction being affected, you are obliged to accept the Transaction on the original terms prior to your amendment or cancellation instruction, unless the Transaction is itself cancelled or amended.

6.6 We may execute Orders for you even in circumstances if we or our associates:

(a) hold a principal position or deal in the relevant Financial Products;

(b) provide similar services to other persons in relation to the relevant Financial Products;

(c) have material price sensitive information relating to the relevant Financial Products if the individuals processing your Order are prevented from knowing or considering such information (including, but not limited to, by reason of procedures known as “Chinese walls”); or

(d) have a potential conflict of interest or duties including, for example, a conflict of interest of which you are not aware and which we are unable to disclose to you.

6.7 Notwithstanding any rule of law or equity to the contrary, AI Capital is not disqualified from contracting with any person and no contract, transaction or arrangement in which AI Capital is in any way interested is avoided or rendered voidable by virtue

of your agreement with us. AI Capital is not liable to account to you for any profit realised by any such contract, transaction or arrangement in connection with these Terms or a Transaction. AI Capital is not required to make any disclosure to you concerning any such contract, transaction or arrangement.

6.8 We and our related bodies corporate may enter into Transactions with you as principal, whether in respect of Financial Products able to be traded on a Financial Market or in respect of over the counter Transactions such as Derivatives or Foreign Exchange related Transactions. When permitted by law and the Rules, we or an associate may take the opposite position in a Transaction with you. Your Orders may match opposite Orders of another person who is our Client, and this may entitle us to receive commission or other benefits from both Transactions. Similarly, because we deal as principal, then your Orders may match opposite Orders entered by us as principal and you authorise us and consent to us charging you the Transaction Fees and Finance Charges in respect of the Transaction provided by these Terms.

6.9 You are aware of and acknowledge the right of AI Capital and its related bodies corporate, directors and employees, either on their own account or on behalf of other clients or persons, to deal in any Transaction or take the opposite position to you in Transactions, if permitted (or, if not expressly permitted, then if not prohibited) to do so by the Corporations Act, Applicable Laws and the Rules.

6.10 You acknowledge that we do not operate any discretionary accounts and we will, unless otherwise expressly provided by these Terms, only act on your instructions (including those given by your Authorised Person).

6.11 Unless otherwise specified in these Terms, all Orders will remain open until either cancelled by you or purged by the Online Service. We do not accept responsibility for reinstating lapsed Orders or for contacting you to seek new instructions.

6.12 If a security code or identifier changes, you are responsible for replacing all live and contingent Order codes with

the new relevant security code or identifier. We will not be responsible for any live or contingent Orders with the incorrect security code or identifier.

6.13 You must not instruct us to submit an Order to enter into a Transaction which would breach or cause us or any other person to breach the Corporations Act, the Rules or any other Applicable Laws including, without limitation, any law or the Rules in relation to:

- (a) market manipulation, false trading, market rigging, fictitious transactions, black box trading, scalping, wash trading or matching of Orders;
- (b) insider trading;
- (c) short selling;
- (d) creating a disorderly market or otherwise prejudicing the integrity or efficiency of the market; or
- (e) misleading or deceptive conduct.

6.14 Your instructions to AI Capital to enter into a Transaction, your Order to AI Capital to enter into the Transaction and the Transaction remains valid and enforceable against you, without affecting your other liability to AI Capital even if you (or your Authorised Person) are not authorised by your own rules (such as a corporate or trust constitution or an investment management agreement).

6.15 You agree not to make any Claim against AI Capital for any Loss incurred or suffered by you which arises in connection with the exercise of any power by ASIC or by the ASX pursuant to the ASX Rules or by any other Exchange which directly or indirectly affects your Transaction, including by way of AI Capital directly or indirectly, fully or partly hedging your Transaction

(whether or not AI Capital has given you a Confirmation in respect of any affected Transaction) except to the extent that the Loss incurred or suffered is caused by the negligence, fraud or breach of these Terms by AI Capital.

## 7. Abusive trading practices

---

7.1 We do not accept and are entitled to take various actions as set out in these Terms against abusive trading practices.

7.2 All of the following practices are considered to be abusive trading practices and therefore a default pursuant to clause 25.1(h) of the Terms. We are entitled to take any or all of the actions set out in clause 25.2 of the Terms immediately, if we reasonably believe any of the following has occurred, or will occur:

- (a) Any of your Orders, Open Positions or Closed Positions are placed in reliance on price latency opportunities or with an intent to exploit price latency across platforms or markets. You will be considered by us as exploiting latency opportunities if you utilise or intend to utilise trading strategies designed to profit from delayed pricing, high volume of Transactions within an unusual short period of time (as compared to the average client trades), and/or targeting opportunistic system related price differentials rather than movements reflecting the correct pricing of the Underlying Assets; or
- (b) Any of your Orders, Open Positions or Closed Positions are placed in attempt to manipulate, game, abuse or otherwise take an unfair advantage of our system, platforms, and the financial services and financial products we offer you.

For example:

- I. You benefitted or intend to benefit from an unfair advantage or acted in an unfair or abusive manner in respect of our systems, pricing, platforms or Accounts;
- II. You benefitted or intend to benefit from exploiting a fault, loophole or error in our systems, pricing, platforms or Accounts;
- III. Collusion by or between multiple accounts held by one person or a group or persons;
- IV. You utilised or intend to utilise trading strategies that involve the use of ultra-high speed or mass data entry without our prior written consent (which we may withhold in our sole discretion).

## 8. Allocation policy

---

8.1 AI Capital will deal fairly and in due sequence with all client Orders having regard to Australian regulatory requirements and market practices.

8.2 To the extent that it is reasonably practicable to do so, AI Capital will allocate all Transactions (including Transactions effected pursuant to Orders placed on AI Capital's own account) in the sequence in which AI Capital receives those Orders, subject to filters and compliance review and to any delay or technical faults connected with or arising through the use of the Online Service, an Exchange System or any other delay that is outside the control of AI Capital.

## 9. Online services

---

9.11 You agree that:

(b) the Security Information is confidential;

(c) you are responsible for maintaining the confidentiality and use of that Security Information at all times and must procure that any Authorised Person maintains the confidentiality of the Security Information;

(d) the execution of an Order placed through the Online Service may be delayed by filters or other electronic features of the electronic system;

(e) we are not responsible for the processing, execution or cancellation of any Orders submitted through the Online Service, regardless of who enters such Orders and regardless of whether or not there is an error in the Order entry or for any delays;

(f) any Online Service is provided on an “as is” basis and, except as required by law, we make no representations or warranties express or implied with respect to the Online Service;

(g) the speed of information provided through the Online Service is subject to a number of factors including, but not limited to, the speed of the user’s internet connection, the user’s settings, the number of concurrent users accessing the Online Service and the volume of information being received and sent by the Online Service;

(h) there are significant risks in trading through the Online Service because it is serviced by means of computer and telecommunications systems, even if generally accepted industry standards and practices are followed;

(i) the features, components or terms of use of an Online Service may be changed by us or the provider of the Online Service without requiring an amendment to these Terms;

(j) you are responsible for providing and maintaining the communications equipment and telephone or alternative services required for accessing and using the Online Service and for any communication service fees and charges incurred by you in accessing and using the Online Service;

(k) you are responsible for ensuring you have in place alternative arrangements for the execution of Orders or other services available through the Online Service, if the Online Service or any aspect of it ceases to be available or subject to failure (including, for example, arrangements for the use of telephone or facsimile);

(l) you must notify us immediately if you become aware of any inaccurate information being transmitted through the Online Service including, for example, inaccurate content as to Orders, Transactions or Account balances; and

9.17 You are responsible for the consequences of any unauthorised disclosure or use of the Security Information, and for any actions or omissions by an Authorised Person.

9.18 We (or any third party providing the Online Service) may suspend, terminate or impose conditions on the use by you or any Authorised Person of the Online Service at any time without notice to you.

9.19 If you are uncertain as to whether your Order has been received, you must make all reasonable attempts to verify whether the Order has been received, approved and effected prior to taking further action. You agree to issue specific cancellation or amendment instructions with respect to an existing Order and not to attempt to effect changes by placing a second or duplicate Order. You will be solely responsible and liable for any duplicate instruction that you place.

9.20 You agree not to contest the validity or enforceability of any electronic communications between yourself (including your Authorised Person) and AI Capital.

9.21 If a failure, interruption or malfunction of electronic communication between the parties prevents an Order from being placed, cancelled or amended then, without limiting clause 24, neither party is liable to the other party for any Loss caused then by that failure, interruption or malfunction.

9.22 You acknowledge that all market data and information in relation to trading, volumes and pricing for a Financial Market provided through any Online Service may be proprietary information of the relevant Exchange or Financial Market or another person and any display, dissemination or other use of that information may be subject to restrictions imposed by the Financial Market or other person. 10.2 You can agree with us, if permitted by Applicable Laws, not to give you a Confirmation or to provide Confirmations to an address or person nominated by you.

10.3 Each Confirmation given by us is subject to the Applicable Laws and the correction of errors and omissions. AI Capital may, at any time, reissue a Confirmation in order to correct any errors or omissions.

To the full extent permitted by law, AI Capital excludes liability for all costs, expenses, damages and Losses (including consequential loss) arising in connection with such services or information, or these Terms (including, without limitation, liability for negligence).

## 13. Risks of transactions

---

13.1 You acknowledge and understand that there are risks involved in Transactions, including:

- (a) the gearing or leverage involved in investing in Financial Products means that a small Initial Margin payment can potentially lead to large losses for you, including more than all the Margin ever paid to AI Capital;
- (b) the geared nature of Transactions also means that acquiring and holding them can carry greater risks than directly investing in the Underlying Security which generally are not geared;
- (c) a relatively small market movement can lead to a proportionately much larger movement in the value of your investment, and this can work against you as well as for you;
- (d) over the counter Transactions are derivatives not made on any Exchange so might be considered to involve a greater risk than an exchange-traded derivative since there is no exchange market on which to Close Out an Open Position – you are only able to open and close your positions with us;
- (e) markets outside of Australia might involve different risks to Australian markets, so the potential for profit or loss from Transactions relating to a non-Australian market or denominated in non-Australian currency will be affected by fluctuations in foreign exchange rates;
- (f) it is possible to incur a loss if, after your acquisition of an investment, exchange rates change to your detriment, even if the price of the Underlying Security to which the Transaction relates remains unchanged;
- (g) you may sustain a total loss of the Margin that you deposit with or pay to us to establish or maintain a position and if the market moves against you, you may be required to pay substantial additional Margin at short notice but if you fail to do so within the required time, your investment position may be liquidated at a loss to you and you will be liable for any remaining deficit in your Account (note that funding options for accounts trading in cryptocurrency CFDs may be restricted, due to restrictions placed by payments providers, and this may have implications for the speed at which you may be able to pay additional Margin);
- (h) you will be required to maintain the Margin Cover, which might mean you must pay more Margin, even though we do not give Margin calls and even if you are not contactable;
- (i) under some trading conditions it may be difficult or impossible to liquidate a position, such as (but not limited to) at times of rapid price movement if the price rises or falls in one trading session to such an extent that trading in the underlying market is suspended or restricted;
- (j) if you trade in denominated currencies other than the Account currency you may lose money or value of the investment due to exchange rate fluctuations and that these losses may be in addition to any losses on the value of the Underlying Security relevant to the Transactions;
- (k) gapping, whereby a market price falls or rises without the opportunity to trade, can result in significant losses even when a stop loss has been put on because it may not be possible to transact at the nominated price if the market has gapped;

(l) in some circumstances the Underlying Security may be halted, suspended from trading or have their quotation for trading withdrawn from an Exchange, or an index may be suspended and these factors might affect the value of your Transaction relating to those Underlying Securities due to AI Capital exercising its discretion to determine the fair value of them;

(m) a market disruption may mean that you are unable to trade when desired, and you may suffer a loss as a result, including examples of disruption include the “crash” of a computer based trading system, fire or other exchange emergency or a regulatory body could declare an undesirable situation has developed in a particular contract and suspend trading; and

(n) you may incur losses that are caused by matters outside our control for example, a regulatory authority exercising its powers during a market emergency may result in losses for the Client or a regulatory authority can suspend trading (for example in an Underlying Security) or alter the price at which a position is settled, which could also result in a loss to the Client.

13.2 No advice or recommendation is provided by AI Capital in relation to your Transactions unless expressly stated otherwise.

## 14. Fees, commissions and charges

14.1 Any profit or loss net of any fees and charges (that is, the realised gain or loss) arising on Closing Out a Transaction will be credited or debited (as the case may be) against the Account Value, in the Account currency.

14.2 You owe us, and must pay to us or as we direct (in accordance with these Terms):

(a) any Transaction charges including all Transaction commission, charges, fees, Margins, premia, settlement and clearing fees and charges, interest, default charges and Taxes (including GST but excluding AI Capital’s income tax or penalty tax and levies) and any other amounts due under these Terms on demand by AI Capital in cleared funds or otherwise as required by these Terms;

(b) a Transaction Fee for each Product or Transaction (as the case may be) being the fee from time to time specified by AI Capital to be the amount payable by you to AI Capital in respect of each such Transaction or Transactions (including any special handling debit arising from a large Transaction or Transactions following Close Out of your Transactions);

(c) any royalty or other fee which must be paid for the use of prices or information provided to you via access through the Online Service or otherwise by any Exchange;

(d) (if applicable) a monthly access charge for the use of the Online Service provided by AI Capital, as specified by AI Capital from time to time;

(e) the Finance Charge calculated as disclosed in the PDS, FSG, a supplementary disclosure document or in any other permitted way of notifying you, such as on AI Capital’s website or the Online Service, in the amount of the Finance Charge Adjustments from time to time;

(f) Finance Charge Adjustments applicable to any Transaction or Account;

(g) any fees, Taxes, stamp duty or other charges as may from time to time be levied on or in connection with any Transactions entered into with you; and

(h) in respect of any unpaid amounts required to be paid under these Terms including, (without limitation) any amounts due as a result of your failure to pay interest on all such amounts denominated in Australian dollars at the Base Rate then generally applicable for debit amounts on Accounts plus a rate of interest per annum as reasonably determined by AI Capital (but so that the total rate does not exceed generally prevailing rates for personal unsecured loans in comparable amounts), such interest to accrue daily from and including the due date to and including the date of its payment in full.

Guidance

note: this is the rate of interest you pay if you default on making any payment to AI Capital. It is not the rate for any Finance

Charge Adjustment. We owe you and must pay you (in accordance with these Terms) Finance Credit Adjustments and any special handling credit applicable to any Transaction or Account from time to time, calculated as disclosed in the PDS, FSG, a supplementary disclosure document or in any other permitted way of notifying you, such as on AI Capital's website, the Online Service or, if you are not a retail client, by separate agreement with you. Any amount or rate or formula which is to be specified by AI Capital may be specified by a PDS, FSG, a supplementary disclosure document or in any other permitted way of notifying you, such as on AI Capital's website or the Online Service. The amount of any fees and charges or other amounts payable by you to AI Capital in respect of any Transaction will be set out in the Confirmation of that Transaction or the Online Service to the extent known at the time.

(i) A currency conversion fee to convert any profit or loss on your transactions from the currency of your transaction to the currency of your account. Further detail on this is available on our website FAQ "Home Currency conversion with AI Capital Australia Pty Ltd". at the link below: - <https://AI.Capital.secure.force.com/#!/article/ka04O000000LYJpSAO/ka04O000000LmbeQAC/>

14.3 You agree that AI Capital may:

(b) You acknowledge that in the event that there are no Open Positions in your Account for an extended period of time, AI Capital may designate your Account as "inactive". If you request to reactivate your Account, you agree to provide whatever information and execute such additional documentation as AI Capital may reasonably require, and to be bound by the version of these Terms in effect at such time. AI Capital may impose Inactivity Fees on inactive accounts, to be calculated and charged

---

in such manner as AI Capital shall publish from time to time on AI Capital's website

(e) deduct from the Account any amount reimbursable in accordance with these Terms.

14.4 Core Pricing. If you choose the Core pricing option, AI Capital will charge your account the Commission Charges, in addition to any other charges or fees as set forth in this Account Terms. As long as Core Pricing is in effect on your account, the Commission Charges will be assessed on all Orders executed by you in your Account.

14.5 AI Capital may receive commissions and other benefits from other parties in relation to Transactions AI Capital enters into with you or in connection with other services provided to you. AI Capital is entitled to retain such commissions and benefits.

14.6 If you have been referred to us or on behalf of a broker or other third party, that broker or third party may receive benefits in the form of a commission, rebate or other payment from us.

14.7 Unless otherwise agreed, the terms of any amounts payable by you under these Terms are stated exclusive of GST. You must pay the GST on the amount charged for the supply of the service, unless that is not permitted by law. AI Capital will

when required by law and as far as practicable state in Confirmations the amounts as GST-inclusive.

14.8 The amounts of or basis of calculating the fees, commissions, charges and credits referred to in this clause 14 will be as notified from time to time in writing by AI Capital, either by way of a PDS, postings on the Online Service (including by way of Transaction prices), notification to your contact address, posting to AI Capital's website or as otherwise agreed with you or permitted by these Terms.

14.9 If:

- (a) you are required to make a deduction or withholding in respect of Tax from any payment to be made; or
- (b) AI Capital is required to pay any Tax (other than income tax) in respect of any payment made in relation to these Terms at your request, then you:
- (c) indemnify AI Capital against the Tax; and
- (d) agree to pay to AI Capital an additional amount to ensure AI Capital receives a net amount (after payment of any Tax in respect of each additional amount) that is equal to the full amount AI Capital would have received had a deduction or withholding or payment of Tax not been made.

14.10 You must reimburse AI Capital for all fees (both direct and indirect) and expenses charged in connection with any Transaction (other than Tax on the income of AI Capital) and for all costs and expenses incurred by AI Capital in implementing these Terms and in enforcing its rights under these Terms (including its legal costs of external or internal legal advisers on a full indemnity basis).

14.11 Open Positions will be charged a Finance Charge Adjustment or will be entitled to receive a Finance Credit Adjustment, depending on the Transaction chosen by you either buy/long position or sell/short position.

The full details of AI Capitals finance charges can be found on our website <https://www.AI Capital.com/au-en/trading/financing-costs/>

14.12 You remain liable to pay the Finance Charge Adjustment even though:

- (a) the charge may be called other things from time to time, even across different Accounts, different Financial Products or on the Online Service at the same time;
- (b) the charge is not stated on a statement for an Account or Confirmation for a Transaction;
- (c) the charges differ according to whether the Transaction was made offline or on-line;
- (d) the charges differ according to the amount of the Account, regardless of the amount or value of the Account;
- (e) the rate is expressed or inferred to be an annual rate but is applied and calculated by the day or any other time interval proportional to the annual rate;
- (f) the Finance Charge Adjustment is first applied by way of posting the amount to the Account so that you become liable

only for any net debit amount of the Account (or we owe you the net credit amount of the Account);

(g) we may owe from time to time Finance Credit Adjustments (which are posted to the Account);

(h) different rates apply at the same time to other clients' accounts;

(i) the charge may be applied at rollover but not levied or enforced until termination of the Transaction; (j) the Transaction is denominated in a currency other than Account currency; and

(k) the rates will be as determined by AI Capital in its absolute discretion and you might not have prior notice of the current rate.

14.13 You acknowledge that you are responsible for your own legal costs associated with entering into these Terms and for all Taxes and expenses incurred by you in connection with these Terms, including any Transaction made under it.

14.14 All payments by you under these Terms are:

(a) to be made without any set-off by you, counter claim or condition made by you and without you making any deduction or withholding for any Tax or any other reason unless the deduction or withholding is required by applicable law or the set-off arises by express application of these Terms; and

(b) payable in any currency that AI Capital may reasonably require or determine.

14.15 AI Capital will give notice to you of any change in its fees and charges or other amounts payable by these Terms in accordance with Applicable Laws except rates (including, but not limited to, rates of the Finance Charge Adjustments and Finance Credit Adjustments) will change at any time, as available via the Online Service.

14.16 If GST is payable on a taxable supply made by AI Capital under, by reference to, or in connection with these Terms, you must also pay the amount of GST payable in respect of that taxable supply. This clause does not apply to the extent that

consideration for a supply is expressly stated to you to be GST inclusive. Terms which have a defined meaning in the A New Tax System (Goods and Services Tax) Act 1999 have that meaning in this document.

## 15. Client moneys and trust account

15.1 AI Capital must deal with any money and property which you pay or give to, or which is otherwise received by AI Capital in

connection with financial services provided by AI Capital, in accordance with the Applicable Laws. For example, AI Capital may be required to pay such moneys into the Trust Account which complies with the requirements of the Corporations Act. You acknowledge and authorise that:

(a) your moneys and the moneys of other clients of AI Capital may be combined and held by AI Capital in a Trust Account, separate from the moneys of AI Capital;

(b) all moneys credited to the Trust Account maintained by AI Capital may, by law, be used by AI Capital to meet the default of

any client of AI Capital to the extent permitted by the Corporations Act (subject to Applicable Laws), even though AI Capital does not do this under its business procedures; and

(c) moneys credited to any Trust Account maintained by AI Capital under the Corporations Act may, by law, be used by AI Capital for purposes unrelated to your Account to the extent permitted by the Corporations Act even though AI Capital does not do this under its business procedures and accordingly such use of a Trust Account does not fully protect your money and property from risk of loss.

15.2 If AI Capital pays your funds to another person at your request, AI Capital is not liable to you for the performance by the

person who receives the benefit of the payment of your funds. In particular, without limitation, AI Capital is not obliged to

enquire into:

- (a) the use of those funds by the third party;
- (b) any persons to whom the third party pays all or any of these funds;
- (c) the solvency of any of those persons;
- (d) the compliance by any of those persons with the Corporations Act, Applicable Laws and Rules;
- (e) whether any of those persons hold any part of these funds on any nominee, segregated account, trust or any other basis for your protection or security.

15.3 You agree that AI Capital is entitled to all interest earned on moneys credited to any Trust Account unless you and AI Capital have otherwise agreed in writing.

15.4 The moneys to which you are entitled under these Terms and which are under the control of AI Capital will be paid directly to you and not to any third party, unless you have otherwise instructed us to do so and we agree. You must provide relevant account details for payment instructions in respect of payments to be made by AI Capital to you. Although AI Capital will take reasonable steps to comply with your payment instructions, AI Capital accepts no responsibility for any failure to comply with those instructions and, if such failure occurs, the relevant moneys will continue to be held by AI Capital in accordance with the Corporations Act and Applicable Laws.

15.5 You authorise and direct AI Capital to withdraw any or all moneys to which you are otherwise entitled in any Trust Account maintained by AI Capital to meet any liability, obligation or other Loss which you owe to AI Capital including to pay for your Financial Products, an amount in respect of any Realised/Unrealised Loss on your Account, Margin or Margin Cover).

15.6 When you pay moneys to AI Capital in connection to a Transaction, you are also directing those moneys to be paid into a Trust Account and those moneys will remain in there until withdrawn by AI Capital to pay you amounts you are entitled to receive or to pay for amounts to which AI Capital is entitled including to pay for your Financial Products without limitation an amount in respect of any Realised/Unrealised Loss on your Account. If there has been a Realised/Unrealised Loss on your Account after AI Capital re-values your Account, AI Capital is authorised, by your direction under these Terms to withdraw the equivalent amount of that Realised/Unrealised Loss from the Trust Account to pay AI Capital an amount to which AI Capital is entitled.

15.7 If AI Capital determines that your Account has been inactive for a reasonably long period, you authorise AI Capital to withdraw any Withdrawal Funds from the Trust Account to be paid into your nominated bank account.

15.8 You acknowledge that AI Capital is entitled to be paid from those moneys to which you are otherwise entitled in any Trust

Account maintained by AI Capital an amount sufficient to meet any liability, obligation or other Loss which you owe to AI Capital.

15.9 You acknowledge that from the time any funds withdrawn from the Trust Account in connection with your Transactions:

- (a) you lose the protections given to a Trust Account of that kind;
- (b) you are an unsecured creditor of AI Capital for its obligations on your Transactions; this includes exposure as an unsecured creditor for payment to you of the net Account balance (if any) after closing all your Open Positions; (c) the funds

are no longer held beneficially for you.

15.10 If you pay moneys into any Trust Account maintained by AI Capital in anticipation of you creating and meeting any liability, obligation or other Loss which you will owe to AI Capital including to pay for your Financial Products (including payment for Margin), by these Terms you authorise and direct AI Capital to withdraw those moneys to pay AI Capital for any liability which later arises. Your payment into the Trust Account will be deemed to be subject to this direction unless you

tell AI Capital (in writing) otherwise. You agree that these Terms are a sufficient written direction by you for the purposes of authorising and directing AI Capital to make the withdrawal on these Terms, subject to any other written direction you give AI Capital from time to time.

15.11 You acknowledge and agree that if there has been a Realised/Unrealised Profit on your Account after AI Capital re-values your Account, AI Capital will pay into or hold sufficient funds in the Trust Account and credit your balance in the Trust Account as Margin to reflect the adjustment for the Realised/Unrealised Profit so that those funds will be retained there for your benefit until dealt with in accordance with these Terms.

15.12 You acknowledge and agree that AI Capital may revalue your Account at any time and from time to time but is not obliged to revalue your Account on any particular frequency or at any particular time, so AI Capital is not obliged to commit to determine whether there has been any Realised/Unrealised Profit or Realised/Unrealised Loss on your Account at any particular time or from time to time.

15.13 All currency exchange risks regarding any payment instruction or any Order or Transaction entered into by you with AI Capital is your responsibility. Any conversion from one currency to another required to be made for performing or executing any payment instruction, Order or Transaction may be effected by AI Capital in the manner and at the time and at the exchange rates that AI Capital, in its absolute discretion, decides.

15.14 You agree that these Terms are a sufficient written direction for the purposes of authorising and directing AI Capital to make the withdrawals from the Trust Account on these Terms, subject to any other written direction you give AI Capital from time to time which AI Capital accepts.

## 16. Margin cover

---

16.1 You agree and acknowledge with each of the following:

- (a) Margin Cover refers to the amount paid or payable to AI Capital as it requires (to protect against your liabilities on Transactions) and which is credited to your Account. The minimum amount of the Margin Cover is determined by AI Capital in its absolute discretion.
- (b) A Margin payment is the amount you pay AI Capital for crediting your Account as Margin Cover.
- (c) The time for your payment to maintain Margin Cover is of the essence.
- (d) You must maintain at least the amount of Margin Cover required by AI Capital whether or not AI Capital gives any notice to you to make those payments or you have actual notice of the required amount. The required amount of Margin Cover can change continuously and can change automatically, including over the week-end or other non-trading days. Your obligation to maintain at least the required amount of Margin Cover is continuous.
- (e) You must ensure that for so long that you have an Open Position, the Margin Cover must always remain positive. If not, your Open Position may be Closed Out by AI Capital without prior notice to you.
- (f) Your obligation to maintain Margin Cover arises at the time the Transaction is executed.
- (g) It is solely your responsibility to monitor and to satisfy all Margin Cover requirements.
- (h) A Margin payment is credited by AI Capital at the time cleared funds have been received into the Trust Account and AI Capital has applied the payment to your Account or such other time as allowed by AI Capital, so a Margin Cover requirement for an OTC Contract or other OTC Transaction issued by AI Capital is not satisfied unless and until your payment is received in cleared funds into the Trust Account and applied to your Account by AI Capital.
- (i) Without limiting any other right of AI Capital, in respect of any Financial Product issued to you by AI Capital acting as

principal to you, you authorise and direct, by these Terms, that all of the funds which you deposit into the Trust Account be immediately withdrawn and paid to AI Capital for its own account, towards satisfying your obligations to pay Transaction Fees, Finance Charges, to maintain Margin Cover, to pay for Realised/Unrealised Losses, and to pay all other amounts owing under these Terms, even if:

- I. your payment (after deduction for Transaction Fees, Finance Charges and other amounts owing) is in an amount less than or more than the amount required to maintain the total amount of required Margin Cover;
- II. the required amount of Margin Cover reduces after your payment to a Trust Account;
- III. there is any delay between the time you make the payment to the Trust Account and when AI Capital makes the withdrawal;
- IV. you purport to withdraw your authority and direction, but you still have at that time an obligation to AI Capital to maintain an amount of Margin Cover which has not been satisfied; or
- V. you do not tell us your intended use of the Margin Cover which will be directed to your Account after your payment or you change your mind after you tell us and you deal in Financial Products for a lesser value than you told us or you do not deal.

(j) Your liability in respect of Margin requirements is not limited to the amount, if any, initially paid to AI Capital for your Account. You are responsible to pay any deficit owing to AI Capital after Close Out of a Transaction and if you default in payment of such deficit, AI Capital may pay the deficit out of the Account or realise any Financial Products held by AI Capital and apply

the amounts or proceeds against that deficit and you are responsible for the full and prompt discharge of the deficit (which exceeds the value of the Account) by making payment in full to AI Capital immediately when that deficit arises.

16.2 AI Capital may (without notice to you) Close Out, but will not be obliged to Close Out or to attempt to Close Out, some or all Open Positions, at that time or any later time as AI Capital determines (whether in its discretion or by automatic trading platform management) if:

- (a) your Account Value falls below the Margin Closeout Level; or (b) you fail to maintain the required Margin Cover; or
- (c) at any time, and from time to time, AI Capital determines that the value of all of your Open Positions (and not taking into account any cash balance in your Account) represents a substantial net unrealised loss to you such that, in AI Capital's belief, the continued trading, or failure to Close Out, one or more of your Open Positions will or is likely to materially prejudice your Account Value.

16.3 Special Handling for Large Transactions If a Transaction or series of Transactions occurs in your Account which results in the immediate opening or Close Out of a Transaction or series of Transactions within a period of 10 seconds, in either

case with an aggregate notional value that exceeds \$100,000,000 USD equivalent in any major currency pair as determined by AI Capital from time to time (e.g., a pair comprised of any two of AUD, CAD, CHF, EUR, GBP, JPY, USD), or \$30,000,000 USD equivalent in any other Financial Product, then AI Capital will execute your Transaction(s) at the price shown in the Electronic Trading Platform at the time of your Transaction(s) and subsequently may debit or credit your Account for the difference between the price shown in Electronic Trading Platform at the time of your Transaction(s) and an amount equal to 1.0 pip above AI Capital's actual volume weighted cost of implementing such Transaction(s) (as determined by AI Capital).

## 17. Rolling over of open positions

---

17.1 In respect of each Open Position, subject to: (a) prior Close Out of that Open Position;

(b) any express terms of the Transaction; or

(c) the express agreement of AI Capital to settle that Open Position,

AI Capital is by these Terms instructed:

(d) to vary the Open Position (in which case it will be deemed to be a new Transaction) so that its settlement date is deferred to a Business Day to be agreed between AI Capital and you (and if there is no agreement by the Calculation Time on the Business Day immediately prior to the then applicable settlement date as agreed previously, it will be the following Business Day); and

(e) to Close Out the Open Position and enter into a new Transaction for the same Underlying Security and being the same bought or sold position except that the settlement date is to be one Business Day later and adjusted for any interest differential.

## 18. Information and advice

---

18.1 AI Capital may provide (but is under no obligation to provide) you with information or data concerning interest rates, securities, Derivatives, foreign currency, property, other Financial Products or markets generally. If such information or data is provided, it is provided on the basis that AI Capital believes the sources to be reliable but has not verified that information.

to provide, or liable for, advice or recommendations in relation to the Financial Products, financial services, Orders or Transactions, except to the extent required by Applicable Laws.

18.3 You represent and warrant to AI Capital on a continuing basis that under these Terms, to the extent permitted by law:

(a) you are not relying on any communication (written or oral) from AI Capital as financial services or other investment advice or as a recommendation to enter into, or vary or Close Out, any Transaction;

(b) you will not consider or treat the information and explanations relating to the terms of a Transaction to be financial services or other advice on, or a recommendation to, enter into, any Transaction; and

(c) you will not take any communication (written or oral) received from AI Capital as an assurance or guarantee as to the expected results of any Transaction.

responsibility to obtain personal Financial Product advice (including legal, tax and financial advice) before making any investment or trading decision in respect of Financial Products.

(a) you consent to receiving any such written statement of advice after having been given the advice;

(b) you consent to receiving any such written statement of advice after making the Transaction but within the period permitted by law; and

the breach of these Terms by AI Capital or the gross negligence or fraud by AI Capital.

24.3 If GST is payable on a taxable supply made by AI Capital under, by reference to, or in connection with these Terms, you must also pay the amount of GST payable in respect of that taxable supply. This clause does not apply to the extent that

consideration for a supply is expressly stated to you to be GST inclusive. Terms which have a defined meaning in the A New Tax System (Goods and Services Tax) Act 1999 have that meaning in these Terms.

24.4 You acknowledge that you are responsible for your own legal costs associated with entering into these Terms and for all Taxes and expenses incurred by you in connection with these Terms, including any Transaction made under it.

24.5 All payments by you under these Terms are:

(a) to be made without any set-off by you, counter claim or condition made by you and without you making any deduction or withholding for any Tax or any other reason unless the deduction or withholding is required by applicable law or the set-off

arises by express application of the Terms; and

(b) payable in any currency that AI Capital may require or determine.

24.6 If:

(a) you are required to make a deduction or withholding in respect of Tax from any payment to be made; or

(b) AI Capital is required to pay any Tax (other than income tax) in respect of any payment made in relation to these Terms at your request, then you:

(c) indemnify AI Capital against the Tax; and

(d) agree to pay to AI Capital an additional amount to ensure AI Capital receives a net amount (after payment of any Tax in respect of each additional amount) that is equal to the full amount AI Capital would have received had a deduction or withholding or payment of Tax not been made.

## 25. Default

---

25.1 Each of the following constitutes a Default:

(a) you breach these Terms, whether by act or omission (including, without limitation, giving us an Order in breach of clause 6.13);

(b) A Transaction is entered into, or an Open Position is Closed Out, by you in any circumstances in which AI Capital reasonably believes that conduct is, or could be considered to be, in breach of the Corporations Act, the Rules or any other Applicable Laws (not restricted to those circumstances described in clause 6.13 in respect of Orders), whether or not you are aware that the Transaction could breach those laws or rules;

(c) you fail to pay, or to provide security for, amounts payable by you to AI Capital;

(d) you fail to pay the amounts due in respect of any Transaction entered into pursuant to these Terms;

(e) you fail to perform any obligation arising pursuant to the settlement of a contract which arises pursuant to a Transaction;

- (n) you enter into a composition or scheme of arrangement for the benefit of creditors;
- (o) if you are a body corporate, you go into liquidation, voluntarily or otherwise (except for the purpose of reconstruction), or you or another person appoint a liquidator, receiver, administrator or official manager in respect of your assets;
  - II. a director has not given (a reasonable time after requested by AI Capital) a valid deed of guarantee and indemnity in respect of your obligations under these Terms in favour of AI Capital and in a form acceptable
  - III. you have not notified AI Capital of a change of any director within seven (7) days of the change taking effect;
- (p) if you are acting on behalf of another person pursuant to authority provided by another person, the authority is varied in a way which (in AI Capital's opinion) negatively impacts on your authority or legal or financial capacity to perform your obligations under these Terms;
- (q) if you are a trustee, the relevant trust of which you are trustee is terminated, vests or a distribution of capital of the trust or fund is made, or your rights of indemnification from trust assets or reimbursement is terminated, restricted or challenged, which would result in there being, in AI Capital's opinion, insufficient assets of the trust or fund to meet your liabilities under these Terms or any Transaction;

- (v) the occurrence of any other event referred to in a Schedule applicable to your Account as constituting a Default or which AI Capital and you have agreed constitutes a Default.

25.2 If a Default occurs, AI Capital may, in addition to any other rights which AI Capital has or may have against you (including rights arising in other parts of the Terms), without giving prior notice to you, take any action, or refrain from taking action, which it considers reasonable in the circumstances in connection with Transactions entered into pursuant to these Terms and, without limitation, AI Capital may do any one or more of the following:

- (a) cancel any outstanding Orders;
- (b) enter into one or more Transactions to effect the Close Out of one or more unsettled Transactions or any Open Positions;
- (c) settle any Transaction which has not at the time of Default settled;
- (d) in the case of Open Positions which involve Underlying Securities which are option contracts or an equivalent, deal with the Transaction by exercising one or more of those option contracts or abandon any one or more option contracts not yet exercised;
- (e) cancel a Transaction (whether or not it is an Open Position) and make consequential adjustments to your Account including reversing any previous Realised/Unrealised Profit or Realised/Unrealised Loss;

25.3 Nothing in these Terms limits your rights to claim a default by AI Capital or for you to take any proper action you determine is appropriate to claim or to recover for any Loss arising from your claim. For example, we acknowledge that you may terminate these Terms if AI Capital materially breaches these Terms. You agree that it is reasonable for you not to

have specific rights following default and specific events of default by AI Capital in order to avoid all Transactions of all of AI Capital's clients prematurely terminating, which could cause irrevocable loss to some or all clients and those losses could be irrevocably increased by such an automatic termination.

26.2 Notices given by you must be in writing and sent by post, facsimile transmission (fax) or email to our address, facsimile transmission (fax) number or email address specified by us in the FSG or on our website or as otherwise notified by us. 26.5 If no minimum period is required or is not stated elsewhere in these Terms, notice of a change in Transaction Fees, charges or roles may be effective immediately AI Capital first generally publishes the information of any variation on its website or through Online Service or platform administration service.

## **27. Appointment of AI Capital as attorney**

27.1 In consideration of AI Capital entering into the agreement on these Terms, you irrevocably appoint AI Capital and each director, secretary and principal executive officer and each employee (which employee's title of office includes the word "Manager" or "Head") of AI Capital and any other authorised representative of AI Capital (including an authorised representative of a related body corporate of AI Capital) severally as your attorney at any time and from time to time following a Default, to execute and deliver all documents and to do all things which your attorney may consider necessary or desirable to give effect to the provisions of these Terms, and in particular, without limitation, in connection with, or incidental to, the exercise of any of the rights and powers of AI Capital under these Terms. Those powers may be exercised in the interests of AI Capital

notwithstanding any conflict with the interests of AI Capital. This appointment survives termination of these Terms.

## **28. Termination**

28.1 Without limiting clause 25.2, you and AI Capital may each terminate these Terms at any time by giving the other notice.

28.3 Each indemnity provided within these Terms survives the termination of these Terms.

28.4 You or AI Capital may terminate a Schedule within these Terms at any time and for any reason by giving notice to the other, without terminating another Schedule of these Terms. Termination of a Schedule under this clause 28 does not affect outstanding obligations under these Terms which are undischarged at the time of termination, either under the terminated Schedule or otherwise. Each indemnity in these Terms survives the termination of any Schedule.

28.5 Upon termination of these Terms (or a relevant Schedule under clause 28.4), and without limiting clause 25.2, this clause survives and AI Capital may do one or more of the following:

- (a) cancel any outstanding Orders;

**Value Date** means the date agreed at the time the relevant deal is entered in to, to be the date of settlement of that deal (specified in the Confirmation).

### 3. Acknowledgements

In these Terms you acknowledge and agree to the following in favour of AI Capital (and AI Capital is bound by the following):

(a) A Foreign Exchange Transaction has enforceable terms for payment by you to us or us to you even though each Foreign Exchange Transaction is required by these Terms to be cash settled (or netted) with no physical exchange of the Underlying Security.

(b) Each Foreign Exchange Transaction is required by these Terms and is expected by you and us to be disposed of by being Closed Out and the Realised/Unrealised Profit or Realised/Unrealised Loss arising from that, posted to your Account in full settlement of your respective obligations in relation to those Foreign Exchange Transactions.

(c) the following prevail in the order listed below such that if the higher ranking obligations are for any reason held by a court to be unenforceable, invalid or otherwise incapable of being applied, then the next ranking obligations apply: first, the settlement of Foreign Exchange Transactions by way of Closing Out those Foreign Exchange Transactions and applying the resulting Realised/Unrealised Profit or Realised/Unrealised Loss (as the case may be) to your Account, in full settlement of our respective obligations in relation to those Foreign Exchange Transactions;

- II. secondly, the settlement obligations of each Foreign Exchange Transaction are set off so that only the single net amount of the difference arising from that set-off is the only amount owing as between us and the amount is applied to your Account (as a credit or debit amount, as the case requires) in full settlement;
- III. thirdly, the respective settlement amounts owing by you and us on each Foreign Exchange Transaction are applied to your Account (as a credit or debit amount, as the case requires) in full settlement);
- IV. fourthly, each payment obligation on each Foreign Exchange Transaction is applied to your Account (as a credit or debit amount, as the case requires) in full settlement); and
- V. fifthly, each payment obligation on each Foreign Exchange Transaction accrues and is enforceable on and from termination of the Foreign Exchange Transaction.

(d) There is no definitive term attached to a Foreign Exchange Transaction, such a contract will continue until the Closing Date.

(e) Anything AI Capital is permitted to do in accordance with this Schedule may be done in its absolute discretion, and any opinion or view required to be formed by AI Capital may be formed in its absolute discretion.

(f) A Position may be Closed Out without a physical exchange of the Base Currency for the Term Currency and references in the definition of Position to an exchange of currency and settlement and in the definitions of Base Currency and Term Currency to amounts to be received by you or provided by you under a Position will be construed as if that Position were to be unwound by delivery.

(g) Notwithstanding it has an agreed Value Date, each Position continues indefinitely until it is unwound by delivery or by being Closed Out and references in the definitions of Position and Value Date to settlement will be construed as if that Position were to be unwound by delivery.

(h) For the avoidance of doubt, nothing in this Schedule 3 affects clause 16.3.

#### 4. Entering into Positions

(a) On any Business Day you may request AI Capital by the Online Service or otherwise to quote:

- I. the rate at which you may enter a Position and the Initial Margin required by nominating the amount; or
- II. the amount and currency of either the Base Currency or the Term Currency, the currency against which it is to be exchanged.

(b) Immediately upon receiving the quote, you may by the Online Service or otherwise instruct AI Capital to arrange the entry into by you of a Position equivalent to that for which the quote was sought. Receipt by AI Capital of your instruction will constitute an offer by you to AI Capital to enter into such a Position.

(c) AI Capital is under no obligation to accept your offer to enter into a Position, and without limitation, is not obliged to accept your offer to enter into a Position:

- I. if you have exceeded or would exceed a limit applying to you as notified by AI Capital; or
- II. until AI Capital has received the Initial Margin required in respect of that Position into the Trust Account  
(or your Account has sufficient Margin Cover), in cleared funds.

(d) The Initial Margin required in respect of a Position will be payable prior to AI Capital accepting your offer to enter into a Position.

(e) If AI Capital accepts your offer to enter into a Position, AI Capital may issue to you a written confirmation (or it may publish a written Confirmation available to you in your Online Service) of that Position promptly after it has been entered into, in the form of a deal confirmation, but failure by AI Capital to issue or to publish a confirmation will not prejudice or affect that Position. AI Capital will not have any liability as a result of a failure to issue or to publish a deal confirmation. If AI Capital decides not to accept your offer to enter into a Position, AI Capital will advise you of that decision as soon as is practicable,

subject to Trading Conditions.

(f) You undertake to examine the terms of each Confirmation immediately upon receipt (or publication) and unless within 48 hours of issue of a confirmation you notify AI Capital of any disputed detail in the confirmation, you agree that the contents of the confirmation, in the absence of manifest error, will be conclusive evidence of the executed deal. Upon receipt within 48 hours of written notice as to a disputed detail, AI Capital will investigate the matters disputed and you must co-operate with AI Capital in good faith to resolve the dispute. You must, notwithstanding any such dispute, continue to satisfy your obligation to maintain Margin Cover in respect of that Position as if the details contained in the confirmation were correct and not the subject of dispute.

(g) AI Capital may, in its absolute discretion, limit the value of Positions you may have outstanding under these Terms:

- I. beyond which if you decide to enter into any further Positions, you must seek and obtain credit approval from AI Capital; and
- II. beyond which you may not enter into any further Positions.

(h) AI Capital may vary this limit at any time by notice to you.

### 5. Close Out of Positions

(a) Without affecting clause 6 of the Terms (regarding Orders), AI Capital may from time to time permit you to give AI Capital notice of your request to have all or any of your Positions Closed Out. AI Capital, from time to time, may set limits and conditions on accepting your notice (whether or not it complies with the requirements for an Order). Following receipt of such a notice AI Capital may at a time it chooses in its absolute discretion, enter into a matching opposite Position to Close Out those Transactions. Without limiting AI Capital's discretion you acknowledge that this may occur as soon as practicable after the later of:

- I. receipt from you of such notice; and
- II. any time and date specified in such notice at which you request the Close Out to occur.

(b) The difference (if any) between the amount of the Base Currency under the matching Position and the amount of the Term Currency under the original Position if positive, will be a "Realised Profit" and, if negative, will be a "Realised Loss".

(c) The Closing Out of a Position in accordance with this Schedule will constitute a complete discharge of all obligations of AI Capital and has the effect of immediately cancelling the Position so that the only obligations that continue in respect of the Position are those provided for under this Schedule.

(d) You acknowledge that if you give AI Capital standing instructions to enter into a Position when a particular price level is reached, then the price at which the Position is entered into might not be that exact price.

### 6. Settlement of Closed Out Positions

(a) When a Position is Closed Out in accordance with this Schedule which:

- I. results in a Realised Profit, AI Capital will credit your Account in an equivalent amount to the Realised Profit; or
- II. results in a Realised Loss, AI Capital will deduct the amount of the Realised Loss from the funds you have paid into the Trust Account (or if that is insufficient, debit the amount from your Account).

(b) If there is then sufficient Margin any amount owing by you under this Schedule may be settled in whole or in part by debiting your Account with AI Capital.

(c) If you have requested payment of any money owed to you under this Schedule, AI Capital will (at its discretion) deduct that money from your Account and pay it to you electronically or in such other manner as may be agreed between AI Capital and you. Prior to any payment made to you in your home currency, AI Capital will convert any currency other than your home currency to your home currency in accordance with term 14.2 (i)

(d) AI Capital may set off any money owed to you under this Schedule against any money owed by you in respect of a Foreign

Exchange Transaction. If such a set-off is made, references in this Schedule to Realised Profit and Realised Loss will be

read as including the net amount of Realised Profit or Realised Loss (as the case may be) remaining after the setoff.

## **7. Revaluations**

AI Capital may at any time, by reference to the Market Rate, revalue all Positions. Such revaluation will be affected in the following manner:

(a) In order to carry out a revaluation under this Schedule, AI Capital will ascertain in relation to each Position, the amount of the Term Currency which could be purchased with the amount of the Base Currency at the Market Rate.

(b) If the amount calculated in accordance with sub-clause 7(a):

- I. is greater than the amount of the Term Currency under the Position, then the difference will represent an Unrealised Profit; and
- II. is less than the amount of the Term Currency under the Position, then the difference represents an Unrealised Loss; and

(c) the sum of each Unrealised Profit will be the "Unrealised Profits" and the sum of each Unrealised Loss will be the "Unrealised Losses".

# Schedule 4

## Contracts for difference

---

### 1. Introduction

(a) The following terms will apply to you, and you agree to be bound by them, each time you place an Order with AI Capital to

deal in a Contract for Difference (as defined in clause 2 of this Schedule 4).

(b) Any term not defined in this Schedule has the same meaning given to it in clause 2 of the Terms.

### 2. Interpretation In this clause, the following terms have the following meanings:

**Adjustment Event** means, any event in respect of which AI Capital considers in its absolute discretion an adjustment to the terms of a Contract for Difference is appropriate including, for example:

(a) if the Reference Asset is a share, debenture, unit or other security (or depositary receipt of any kind in respect of any of them)— a bonus issue for combination of rights issued, rights issue, stock split, share or other capital consolidation, security

reclassification or subdivision return of capital, buy back, special dividend (however legal constituted), in specie distribution, takeover, scheme of arrangement or similar event or other corporate action event in respect of the security, whether or not

the event triggers an adjustment to any Exchange traded derivative of it,

(b) a distribution to existing holders of additional shares or other securities or other Financial Products granting them the right to receive dividends or other proceeds equally and proportionately with payments made to holders of the underlying

securities; or securities, rights or warrants granting the right to a distribution of shares or to purchase, subscribe, or receive shares, in any case for payment (in money cash or money's worth) at less than the prevailing market price per share as determined by AI Capital;

(c) an event that has a dilutive or concentrative effect on the market value of the shares;

(d) If the Reference Asset is an index, a substantial adjustment to the composition of the index outside its own terms allowing for adjustments or weightings; a failure to publish the index or a suspension or cancellation of the index; and

(e) if the Reference Asset is a Derivative which is able to be traded on a Financial Market – any event in respect of which the operator of the Financial Market makes an adjustment to the terms of the Derivative

**Close of Business** means the normal time of close of trading of the relevant Exchange.

**Close Out**, in relation to an OTC Transaction, means discharging or satisfying your obligations to AI Capital under the OTC Transaction and this includes:

(a) by delivering the amount or value of the Underlying Security (including a dollar multiple of an index) required in accordance with the terms of the OTC Transaction; or

(b) as a result of the matching up of the OTC Transaction with an OTC Transaction of the same kind under which you have assumed an offsetting opposite position;

(c) making adjustments for fees and charges.

**Closing Date** means the date on which the OTC Transaction is agreed to be Closed Out, or earlier, if actually or deemed to be Closed Out in accordance with the Terms or the Underlying Security expires according to its terms or the Rules governing its contract specifications.

**Closing Price** means the price of the Contract for Difference at the Closing Date.

**Closing Value** means the value determined by AI Capital by multiplying the number of Contracts for Difference by the price (or, if an index, the level) of the Contract for Difference at the Closing Date.

**Contract for Difference** means a Financial Product, being a Derivative which derives its value from one or more Reference Assets, which may also be called a “CFD” or “AI Capital CFD” on the Online Service or in a PDS.

**Contract Value** means the face value of the Contract for Difference, and is calculated by AI Capital by multiplying the applicable price (or, if an index, the level) of the Contract for Difference by the number of Contracts for Difference.

**Hedge Contract** means a contract between AI Capital and a Hedge Counterparty on the same, or substantially similar, terms as the Contract for Difference (including if one or more Contracts for Difference from you and other clients which in aggregate correspond with the Hedge Contract).

**OTC Transaction** means a Transaction in respect of one or more Contracts for Difference.

**Reference Asset** means an Underlying Security, as determined by AI Capital and, in the case of an OTC Transaction, the Underlying Security specified in the Confirmation. The Reference Asset can refer to an index, in which cases, references in these Terms must be applied and interpreted with such changes as necessary to reflect an index instead of a Financial Product.

### 3. Acknowledgements

In these Terms you acknowledge and agree to the following in favour of AI Capital (and AI Capital is bound by the following): (a) OTC Transactions have enforceable terms for payment by you to us or us to you even though each OTC Transaction is

required by these Terms to be cash settled (or netted) with no physical exchange of the Underlying Security;

(b) each OTC Transaction is required by these Terms and is expected by you and us to be disposed of by being Closed Out and the Realised/Unrealised Profit or Realised/Unrealised Loss arising from that, posted to your Account in full settlement of your respective obligations in relation to those OTC Transactions;

(c) the following prevail in the order listed below such that if the higher ranking obligations are for any reason held by a court to be unenforceable, in full, the settlement of OTC Transactions shall be applied by AI Capital to those OTC Transactions and applying the resulting Realised/Unrealised Profit or Realised/Unrealised Loss (as the case may be) to your Account, in full settlement of our respective obligations in relation to those OTC Transactions;

- II. secondly, the settlement obligations of each OTC Transaction are set off so that only the single net amount of the difference arising from that set-off is the only amount owing as between us and the amount is applied to your Account (as a credit or debit amount, as the case requires) in full settlement;
- III. thirdly, the respective settlement amounts owing by you and us on each OTC Transaction are applied to your Account (as a credit or debit amount, as the case requires) in full settlement);
- IV. fourthly, each payment obligation on each OTC Transaction is applied to your Account (as a credit or debit amount, as the case requires) in full settlement; and
- V. fifthly, each payment obligation on each OTC Transaction accrues and is enforceable on and from termination of the OTC Transaction; and

(d) there might be no definitive time to the life of a Contract for Difference, so such a contract will continue until the Closing Date (including when the Closing Date occurs by reason of the Underling Security expiring).

### 4. Opening and closing OTC Transactions

(a) All OTC Transactions are entered into between you and AI Capital as principal. The acquisition of a Contract for Difference involves entering into, or opening, a Contract for Difference. The disposal of a Contract for Difference requires Closing Out an open OTC Contract.

(b) AI Capital will from time to time state the prices or values at which it may enter into an OTC Transaction with you, either to open or to Close Out an OTC Transaction. If you wish to enter into an OTC Transaction you may submit an Order to AI Capital (including by Online Service). AI Capital is not bound to enter into any OTC Transaction with you and reserves the right to state another price or value at which it may deal with you.

- I. You may request on any given Business Day AI Capital to quote a price at which AI Capital may be prepared to enter into an OTC Transaction. You agree to and acknowledge that a price quotation pursuant to this request does not constitute an offer to enter into a new or close an existing OTC Transaction.
- II. Upon receiving the quote from AI Capital, you may offer to enter into an OTC Transaction with AI Capital at the price quoted by AI Capital.
- III. AI Capital is not obliged to accept your offer to enter into an OTC Transaction and, without limitation, is not obliged to accept your offer to enter into an OTC Transaction:

a. if you have exceeded or would exceed a pre-determined limit imposed on you under clause b(vii) below; or

b. until AI Capital has received from you the Initial Margin required in the form of cleared funds or your Account has sufficient Margin Cover to enter into the respective OTC Transaction.

- IV. The Initial Margin required to enter into an OTC Transaction (or the amount of required Margin Cover), if not already received from you, will be payable to AI Capital upon acceptance by AI Capital of your offer to enter into the OTC Transaction.
- V. If AI Capital accepts your offer to enter into an OTC Transaction, AI Capital will issue to you an electronic Confirmation of the OTC Transaction entered into shortly after it has been entered into. Failure by AI Capital to issue a Confirmation will not prejudice or affect the relevant OTC. AI Capital will not bear any liability whatever resulting from the failure to issue a Confirmation. AI Capital will promptly advise you if AI Capital decides not to accept your offer to enter into an OTC Transaction.
- VI. You agree to examine the terms of each Confirmation immediately upon receipt and you agree that the contents of the Confirmation, in the absence of manifest error, will be conclusive evidence of the executed deal, unless within 48 hours of issue of a written Confirmation you notify AI Capital of any disputed detail in the Confirmation received by you. Upon receipt of written notice within 48 hours of a disputed Transaction AI Capital will investigate the dispute and in cooperation with you must endeavour to resolve the dispute in good faith. Notwithstanding any such dispute, you must continue to satisfy your obligations to maintain Margin Cover in respect of the Contract for Difference as if the Confirmation was correct and the details contained in the Confirmation were not the subject of dispute.
- VII. In its absolute discretion, AI Capital reserves the right to limit the value of Contracts for Difference you may have outstanding under these Terms. If you wish to enter into any further Contracts for Difference, you must seek and obtain approval from AI Capital, beyond which you may not enter into any further OTC Transactions whatever.
- VIII. AI Capital may vary the limit imposed at any time in its absolute discretion.

(c) If AI Capital enters into an OTC Transaction with you for the acquisition of one or more Contracts for Difference:

- I. AI Capital will issue to you a Confirmation in respect of the OTC Transaction setting out, among other things, the number of Contracts for Difference acquired and the amount or amounts which you are required to pay, or are entitled to receive, in connection with the acquisition of the Contract for Difference; and
- II. you or AI Capital (as applicable), must pay the relevant amount referred to in paragraph (a) by the time specified in the Confirmation.

(d) If AI Capital enters into an OTC Transaction with you for the disposal of one or more Contracts for Difference (by way of Closing Out that contract):

- I. AI Capital will issue to you a Confirmation in respect of the OTC Transaction setting out, among other things, the number of Contracts for Difference disposed of and the amount or amounts which you are required to pay, or are entitled to receive, in connection with the disposal of the Contract for Difference; and
- II. you or AI Capital (as applicable) must pay the relevant amount referred to in paragraph (i) by the time specified in the Confirmation or Trading Conditions, subject to this Schedule.

(e) All communications, notices, offers, statements and Orders for Contracts for Difference must be made by an Online Service unless AI Capital expressly agrees that they may be made by telephone or otherwise.

## **5. Settlement of Difference**

(a) AI Capital may determine the Contract Value of the OTC Transaction as at any time and from time to time (including, without limitation, as at the Close of Business on each Business Day or the Calculation Time or each second during all or any part of each Business Day).

(b) If the Contract Value determined by AI Capital in accordance with clause 5(a) above is higher than the Contract Value previously determined by AI Capital, then the Short Party must pay to the Long Party the difference.

(c) If the Contract Value determined by AI Capital in accordance with clause 5(a) above is lower than the Contract Value previously determined by AI Capital, then the Long Party must pay to the Short Party the difference.

(d) In order to determine the Contract Value on which the OTC Transaction is entered into, the Contract Value will be determined by AI Capital taking into account the Underlying Security Price at which AI Capital and you agreed to enter into the OTC Transaction.

(e) If AI Capital determines that the Contract Value of a Contract for Difference cannot be determined in accordance with clause 5(a) above for any reason, the Contract Value at Close of Business will be the value determined by AI Capital in its sole discretion.

(f) Without limiting clause 5(a) if at any time trading on an Exchange is suspended or halted in any Underlying Security, AI Capital will, when determining the Contract Value, at its discretion consider (but is not limited to) the last traded price before the trading suspension or halt.

## **6. Dividend payment and receipt**

If the issuer of the Reference Asset makes a dividend in respect of the Reference Asset, AI Capital has discretion whether to make an adjustment for an amount of the weighted proportion of the dividend, being an amount to be credited to your Account in respect of your long positions and debited from short positions. If AI Capital makes the adjustment, ordinarily the Long Party will be credited with an amount equal to the gross unfranked amount of any dividend payable to the holder of the Underlying Security (as determined by AI Capital) and the Short Party will ordinarily be debited with an amount equal to the gross unfranked amount of any dividend payable to the holder of the Underlying Security (as determined by AI Capital).

## **7. Closing out a contract for difference**

(a) At any time, you may give AI Capital notice of your intention to close any Contract for Difference (whether in whole or part) by specifying the Underlying Security and the quantity of Contracts for Difference that you wish to close. This must be done by you placing an Order for OTC Transactions which, if accepted, would Close Out the Contracts for Difference that you wish to close.

(b) Upon receipt of notice of intent to close a Contract for Difference (by way of receiving your Order for Contracts for Difference), AI Capital will use reasonable endeavours to provide a quote for the Closing Price (by way of indicating prices for Contracts for Difference which would, if agreed to, Close Out your open Contracts for Difference) and notify you of that quote (by the Online Service or otherwise). It is your obligation to notify AI Capital as soon as possible as to whether you are willing to accept the Closing Price quote. If you accept the Closing Price quoted by AI Capital, the Contract for Difference, or relevant portion of the Contract for Difference, will be closed by issuing you with a Contract for Difference which is equal but opposite to the open Contract for Difference, or relevant portion of the Contract for Difference, to be closed.

(c) If the Underlying Security for the Contract for Difference is on terms that provide for its redemption, exchange or termination and you do not give notice to AI Capital of your intention to Close out the Contract for Difference or to roll it over on terms and by the time acceptable to AI Capital (whether or not you have any prior notice of that), you will be deemed to have given notice to AI Capital to Close Out that Contract for Difference at the Closing Price reasonably determined by AI Capital. In

this case, AI Capital will Close Out the Contract for Difference as at the time it determines.

(d) At the Close Out, subject to clauses 3 and 8 of this Schedule 4, if there is a difference between the Closing Value and the Contract Value of the Contract for Difference (or portion of it closed under clause 7(b) it must be accounted for in the following way:

- I. if the Closing Value is greater than the Contract Value, the Short Party must pay to the Long Party the difference; and
- II. if the Closing Value is less than the Contract Value, the Long Party must pay to the Short Party the difference.

(e) If the issuer whose security represents the Underlying Security on which all or part of an OTC Transaction is based becomes externally administered in accordance with the meaning in the Corporations Act (or equivalent legislation), the OTC Transaction will be taken to have been Closed at that time. The Closing Price of the OTC Transaction will be determined by AI Capital who may consider a number of factors it deems appropriate including, for example, the last traded price of the Underlying Security.

(f) If the Underlying Security on which the OTC Transaction is based ceases to be listed for quotation on an Exchange or is suspended from quotation for 5 consecutive Business Days, AI Capital may, in its absolute discretion, without limiting clause 7(g) elect to terminate the relevant Contract for Difference Transaction. If AI Capital elects to do so then:

- I. the Closing Date will be deemed to be the date which AI Capital determines (Early Closing Date); and
- II. you will be treated as having given notice under clause 7(a) on the Early Closing Date.

(g) If AI Capital determines that the Closing Value of an OTC Transaction cannot be calculated on or with effect on the Closing Date for any reason, the Closing Value will be the value determined by AI Capital in its sole discretion.

(h) Without limiting clause 7(g), if at any time trading in the Underlying Security on an Exchange is suspended or halted at any time, AI Capital will, in its absolute discretion in determining the Closing Value of an OTC Transaction, have regard to (but is not limited by) the last traded price before the suspension or halt.

(i) All calculations made by AI Capital in accordance with these Terms in the absence of any manifest error will be binding on you.

## 8. Settlement of Positions

(a) Payments to be made to you with respect of any OTC Transaction must be made in accordance with this clause 8.

(b) If an OTC Transaction is Closed Out in accordance with clause 7 above, or settlement for difference being made in accordance with clause 5 above:

- I. AI Capital will credit to your (relevant) Account any amount payable by AI Capital to you; or
- II. subject to clause 8(c) below you must pay to AI Capital any amount payable by you to AI Capital in

cleared funds in any such currency that AI Capital may require immediately upon the payment request being made. (c) If there is any surplus Margin in your Account, any amount owing by you in accordance with clause 8(b) above will be settled in whole or in part by debiting your Account with AI Capital.

(d) If you request payment of any money owed to you under this clause 8, AI Capital will deduct the amount of the requested payment from your Account and pay you, electronically or in any other manner as agreed. Money owed to you that has not been the subject of any payment request by you will remain in your Account. Before we pay any money to you in your home currency any net profits and losses that you have realised in currencies other than your home currency, we will convert these into your home currency in accordance with clause 14.2 (i)

(e) AI Capital may offset any money owed to you under these Terms or any other agreement against any moneys owed by you under these Terms or any other agreement.

## 9. Adjustment Events

(a) If the Underlying Security on which a OTC Transaction is quoted is subject to an Adjustment Event or possible Adjustment Event, AI Capital will determine the adjustment, if any, that will be made to the Contract Value of that Underlying Security, the related quantity (or both) that would have placed the parties in substantially the same economic position they would have been in had the event not occurred. AI Capital will notify you as soon as practicable of the adjustment. In the absence of any manifest error any adjustment determined will be deemed to be conclusive and binding on you.

(b) AI Capital may give you an opportunity to elect to participate in an adjustment to the OTC Transaction which corresponds with the Adjustment Event, but AI Capital is not obliged to give you that opportunity, or give reasonable notice of it or make its terms correspond exactly with the Adjustment Event, nor is AI Capital obliged to accept in part or at all any election you make to participate. Any adjustment will take effect at the time determined by AI Capital.

(c) If the Underlying Security is subject to a take-over offer or similar event, AI Capital may at any time prior to the closing date of the offer provide you notice of AI Capital's intention to Close Out the OTC Transaction, in accordance with clause 7, with the Closing Price being the price notified to you by AI Capital.

(d) If at any time an Adjustment Event occurs and it is not reasonably practicable as determined by AI Capital in its absolute discretion to make an adjustment in accordance with clause 9(a) above, then without limiting 9(a) above, AI Capital may at any time after the Adjustment Event give you notice of AI Capital's intention to Close Out the OTC Transaction. If this occurs you will be taken to have been provided with closing notice in accordance with clause 7 above, with the Closing Price being the price notified to you by AI Capital. (e) References to "offer", "take-over" and "closing date" in this clause 9(a) above will have the same meaning given to them in the Corporations Act 2001.

## 10. Margin Requirements

(a) This clause 10 supplements clause 15 of the Terms and only prevails over it to the extent of any inconsistency.

(b) Prior to entering into an OTC Transaction with AI Capital you acknowledge that AI Capital requires you to pay cleared funds into the Trust Account as an Initial Margin and to maintain the minimum Margin Cover determined by AI Capital in its absolute discretion from time to time. The Margin Cover requirements may be determined automatically by an Online Service. The required Margin Cover may change at any time, including outside of trading hours and without prior notice to you. The amount of Initial Margin required by AI Capital and the time at which it is required will be at the absolute discretion of AI Capital. AI Capital is not obliged to permit any offset of any Initial Margin required by AI Capital.

(c) A Margin payment is credited by AI Capital at the time cleared funds have been received into the Trust Account and applied

by AI Capital to your Account or such other time as allowed by AI Capital so a Margin Cover requirement is not satisfied until your payment is received in cleared funds into the Trust Account and applied to your Account by AI Capital.

(d) You have an absolute obligation to maintain the amount of Margin Cover required by AI Capital from time to time. Your failure to maintain the required Margin Cover is automatically a Default.

(e) The Initial Margin requirement applicable in respect of any OTC Transaction may be increased by AI Capital in its absolute discretion in respect of the time for payment and the amount of it. In the event of such an increase AI Capital may require that you pay AI Capital additional cleared funds equal to such an increase.

(f) Without affecting your obligation to maintain the required amount of Margin Cover, at any time in the discretion of AI Capital you may be required by AI Capital to pay additional Margin by paying AI Capital cleared funds into the Trust Account.

(g) Without affecting your obligation to maintain the required amount of Margin Cover, if AI Capital requires additional funds from you to maintain the required Margin Cover you must maintain the Margin Cover by the time required by AI Capital, which could be immediately.

(h) Your payment into a Trust Account will not satisfy your obligation to make payment to AI Capital in cleared funds, even

if AI Capital temporarily waives reliance on this term. The payment obligation is not satisfied unless and cleared funds are received for the benefit of AI Capital.

(i) In all respects, time is of the essence for all of your payment obligations to AI Capital.

(j) If AI Capital increases the required Margin Cover, you acknowledge and agree that AI Capital may refuse any request by you to enter into any further Contract for Difference positions until AI Capital has confirmed the receipt of the payment for more Margin in the form of cleared funds.

(k) Any net positive amount of Margin credited to your Account will not constitute a debt due by AI Capital to you. Subject to you meeting all Margin Cover requirements, you are entitled to be paid by AI Capital an amount equal to the Withdrawable Funds and, on being paid, there will be a corresponding reduction in the balance of your Account.

(l) You acknowledge that your liability with respect to maintaining Margin Cover is not limited to the amount you initially or later pay AI Capital. You authorise AI Capital to withdraw or otherwise apply funds or Financial Products held for your benefit in any Account, or funds in any Trust Account, to satisfy partially or fully any liability you have to maintain Margin Cover.

(m) AI Capital will have sole, absolute and unfettered discretion, as to the exercise of any power or right under this clause 10, including, without limitation, the calling of Margin.

(n) Any power or right exercised by AI Capital under this clause 10 will be binding upon you.

(o) Any reference to time under this clause 10 includes weekends and public holidays.

## 11. Actions Following a Default

(a) Upon or after any Default occurs, AI Capital, without prejudice to any other rights it may have under these Terms, has the right and power in its sole absolute and unfettered discretion and without necessity to give prior or any notice to you to do any one or more of the following:

- I. in accordance with clause 14 terminate these Terms;
- II. Close Out all or any open OTC Transaction you may have as if you had given a closing notice to AI Capital and had accepted the Closing Price determined by AI Capital in accordance with clause 7;
- III. in accordance with clause 11(d) treat all or any open OTC Transaction as having been terminated by you;
- IV. terminate any agreement or account whatever you have or may have with AI Capital;
- V. in the event of there being insufficient funds in your Account to satisfy amounts owing to AI Capital (including to maintain the Margin Cover), AI Capital may cancel any outstanding Orders in order to close your Account;
- VI. satisfy obligations that you have to AI Capital out of any property belonging to you including, money or security in AI Capital's custody or control including, without limitation, the Trust Account or by selling securities lodged by you with AI Capital or setting off obligations such that security transferred as collateral is not required to be returned but instead the value of them (as determined by AI Capital) is applied in calculation of the set-off of obligations and to enforce any asset or security held by AI Capital in such manner;
- VII. transfer from your trust account to the Trust Account, if any, such funds as may be required for that purpose to satisfy any obligation you may have to AI Capital; and
- VIII. exercise any power or right that AI Capital may have in accordance with these Terms or in law or equity or take any other form of action as the holder of an Australian financial services licence (AFSL) may be required to take.

(b) AI Capital does not forgo any of the rights outlined in this clause 11 incurred as a result of a delay in the exercise of such rights. If AI Capital does not exercise any of its rights, it reserves the right to do so at any time in the future.

(c) If AI Capital exercises its rights under clause 11(a)(ii), you authorise AI Capital to Close Out the OTC Transactions, at your

risk and expense as if you had given notice on the date that AI Capital exercises its right, in accordance with clause 7.

(d) If AI Capital treats an OTC Transaction as having been terminated by you and AI Capital exercises its rights in accordance with clause 11(a)(iii), AI Capital will calculate the amount owing by you or by AI Capital as if you had been given a closing notice and you had accepted the Closing Price determined by AI Capital in accordance with clause 7. AI Capital may debit from your Account an amount equal to the amount which would have been payable by you to AI Capital had the OTC Transaction been closed at the Closing Price. It is agreed that this amount represents a reasonable pre-estimate of the damages incurred by AI Capital.

(e) Any action taken by AI Capital in accordance with this clause 11 does not limit any other provision of these Terms and is without prejudice to any other rights which AI Capital may have to any other remedy or damages.

## **12. Illegality**

If any event occurs which has the effect of making or declaring it unlawful or impracticable for AI Capital to offer or to maintain Contracts for Difference to you in accordance with the terms outlined in these Terms, AI Capital may immediately terminate these Terms by providing you written notice of that. A termination of these Terms will also result in the closure of all Contracts for Difference in accordance with clause 11(c) as if it were a Default. Any such termination will not relieve you of any obligations you may have to AI Capital in accordance with these Terms prior to its termination.

## **13. Hedge Counterparty arrangements**

You acknowledge that if you acquire a Contract for Difference, you have no right to, or interest in, the Reference Asset or any Hedge Contract.

## **14. Termination of a Contract for Difference**

(a) You acknowledge that AI Capital may terminate a Contract for Difference (apart from any other right to terminate) if:

- I. the Reference Asset ceases to be able to be traded on a relevant market or is subject to a trading suspension or trading halt for a period of more than five (5) Business Days;
- II. an Adjustment Event occurs and AI Capital determines that it is not reasonably practicable to make an adjustment to the terms of a Contract for Difference under this Schedule;
- III. the relevant Hedge Contract, or AI Capital's rights under the relevant Hedge Contract or in respect of the relevant Reference Asset, are Closed Out, suspended or terminated by the Hedge Counterparty (which may occur automatically under the terms of any agreement between AI Capital and the Hedge Counterparty); or
- IV. AI Capital considers, acting reasonably, that the Hedge Counterparty or issuer of the Reference Asset may not be able to meet its obligations to AI Capital under the terms of the Hedge Contract or Reference Asset or other contracts between AI Capital and the issuer of the Reference Asset or the Hedge Counterparty.

(b) If AI Capital terminates a Contract for Difference under clause 14(a) or otherwise, AI Capital will determine a termination value, payable by AI Capital to you or by you to AI Capital, which AI Capital considers appropriate, acting reasonably, and having regard to the circumstances of termination, the value (if any) of the Reference Asset and the position as between AI Capital and the Hedge Counterparty in respect of the Hedge Contract. The termination will take effect at the time determined by AI Capital.
